

PINCER™ PLACARD 2ND LAYER - MOLLE

SPEC SHEET

(Pincer™ Placard not included)

Available colors:

-  Multicam
-  Ranger Green
-  Black

DETAILS

Adds a MOLLE layer to your Pincer™ Placard and transforms it into a low profile but fully modular mounting platform.

Stiffened throughout in order to hold heavy items such as 40mm Grenades or large EUD devices.

Seamlessly connects to the front of the Patented Agilite Pincer™ Placard, allowing for effortless attachment of pouches, EUDs, and other mission essential items.

Includes side MOLLE, ideal for mounting pistol, multitool or similar pouches.

SPECS:

Weight _____ 3.12oz
Dimensions _____ 0.25x0.12x0.10 inch
Fits _____ AGILITE Pincer™ Placard

MATERIALS:

Cordura Laminate 500D/1000D, Polypropylene, Hook-and-loop Fasteners, Nylon Binding.
